

Control Valve Data Sheet

Style (V-ball, Globe, etc): _____

Pressure Class: _____

Connection: _____

Body Material: _____

Trim Material: _____

Packing Material: _____

Pipe Size: _____

Port Size: _____

Media: _____

Shutoff Class: _____

	Min	Normal	Max
Inlet Pressure:			
Outlet Pressure:			
Temperature:			
Flow Rate:			
Viscosity (Centipoise):			

Plant Air Pressure: _____

Fail Position: _____

Type of Positioner: _____

Brand of Positioner: _____

Control Signal: _____

Protocol: _____

Area of Classification: _____

Notes: _____
